

We are just past the quarter mark of the NHL season and there have been some noticeable trends in the NHL that I have been tracking daily and wanted to share with our VSIN Pro Subscribers. No need to update these numbers on your own. That is what I am here for.

Teams' shutout in their previous game have cashed the first period Over 1.5 goals in 31 of 48 games

Next: Thursday, Dec. 5 Columbus at Edmonton (both teams coming off a shutout)

Teams' shutout in their previous game have cashed the Goal in the first 10 minutes prop play in 34 of 48 games

Next: Thursday, Dec. 5 Columbus at Edmonton (both teams coming off a shutout)

Teams' shutout in their previous game have cashed the full game going Over the total in 27 of 44 games (along with 4 pushes on the total)

Next: Thursday, Dec. 5 Columbus at Edmonton (both teams coming off a shutout)

Home Favorites (-200+) coming off a win are 20-4 straight up in their next game.

Next: TBA

Home Favorites (-200+) coming off a win have gone Over their team total (3 ½) in 21 of 24 games.

Next: TBA

Teams that have defeated the Minnesota Wild this season are 1-7 in their next game.

Teams that have lost to the San Jose Sharks are 7-2 in their next game.

Next: Friday, Dec. 6, Washington at Toronto

Teams that have lost to the Montreal Canadiens are 7-1 in their next game.

Next: Tonight, Seattle at NY Islanders
